

# Whole School Training

For senior leads and teaching staff

Nine online modules - 12 month access

Together with top consultants across the UK, our team have created a cost-effective whole school training programme, which supports schools in delivering, managing, monitoring, adjusting and assessing PSHE/RSE across the school setting and more importantly, understanding how to collate this information to evidence outstanding 'Personal Development' for every child.

The training portal is made up of nine modules. Six for all staff and three for leads and senior management.

## Benefits of the 1decision training portal:

- Increase staff confidence
- Deeper understanding of how to evidence individual successes
- All teachers will be able to effectively manage difficult questions from students
- All staff will be able to implement effective curriculum changes in line with students needs
- Fluidity when reporting concerns or ideas to senior leads regarding this subject area & much more
