Our pupils are learning about...

COMPUTER SAFETY

By the end of these modules our pupils should:

understand how your online actions can affect others

be able to identify the positives and negatives of using technology

be able to recognise kind and unkind comments

be able to identify possible dangers and consequences of talking to strangers online

know how to keep safe in online chatrooms

understand the difference between safe and risky choices online

recognise the key values that are important in positive online relationships

identify the feelings and emotions that may arise from online bullying

develop coping strategies to use if we or someone we know is being bullied online

identify rules to follow when sharing images online

recognise possible influences and pressures to share images online

know and understand why some applications have age restrictions

and much more!
